FRATERNAL ORDER OF ALASKA STATE TROOPERS

CHARITY CORPORATION CONTRIBUTIONS PROGRAM DONATION POLICY

One of FOAST Charity Corporation's objectives is to assist youth groups and organizations to help meet the expenses they experience during the year.

FOAST's guiding principle is to award its funds in a manner and for such projects that will benefit the greatest number of Alaska youth over the longest period of time. This philosophy recognizes that funding is limited and that use of the contributions should represent the highest and best use of the money requested. Priority is given to those projects, which include some amount of self-help, either in cash or by in-kind contributions. The amount of grant funds typically awarded is up to \$1,000, although larger awards have been made to particularly meritorious projects. Generally, sponsorships will not exceed five consecutive years.

The Board of Directors has decided upon the following guidelines to youth-oriented organizations to assist them in requesting money for projects that are consistent with FOAST's objectives. However, the Board reserves the right to deviate from its guidelines, when it deems appropriate to do so. To insure all regions of the state receive an equitable share of available money, equal allocations will be made of the budgeted money to the following areas: Southeastern, Southcentral (excluding Anchorage), Western, Northern, Kenai Peninsula, and Anchorage.

Eligible Projects and Activities - Generally:

Sporting goods and equipment, such as uniforms, baseball gloves, hockey sticks, boats, saddles, camping gear, etc.
The cost of officials, such as referees and umpires but NOT coaches
The cost of entrance and use fees for sports activities and facilities
Camping programs and events
Awards such as trophies and plaques (FOAST requests no plaque for our organization, but we would like to have a team photo and/or thank you letter; the money would be better spent on the kids)
Activities meeting the above guidelines and recommended by a State Trooper or State Fire Marshal, on active duty or retired
Activities meeting the above guidelines and involving a local State Trooper or State Fire Marshal or a family member of a State Trooper or State Fire Marshal as a participant in any capacity, i.e. player, coach, referee, etc.

Ineligible Projects and Activities - Generally:

Chaperone's costs to events
Transportation and hotel rooms
Awards to individuals
Partisan political organizations and activities
Religious or sectarian organizations (unless non-denominational use is clearly stated)
Organizations whose activities and benefits are primarily for adults
The purchase of real property and major capitol items such as a building or vehicle
Activities sponsored by schools and colleges that are normally funded by those Institutions
Funding in any form to a for-profit organization
General operation expenses of an organization (rent, utilities, salaries, etc.)
Funding to non-profit organizations actively involved in major annual fund-raising activities
